BOOKING POLICY
The following procedures will apply to the application and allocation of stands for the period 1st December to 31st January

December Season
1.All applications for accommodation must be submitted on our website www.gouritsmondkaravaanpark.co.za. on or before 28 February 2025 of the relevant year in which the holiday period occurs.
2.The selection of the applications will take place in the period 1st March to 31st March of the year in question based on the following criteria:

2.1. The first option is given to a person in respect of a stand if he/she has rented the stand for a period of at least 10 nights in the previous year AND applies to stand on the stand for at least 14 consecutive nights if he/she only stands on Christmas Day or New Year's Day, but 17 consecutive nights if the applicant wishes to stand on Christmas Day AND New Year's Day.

2.2. After all applications have been placed in terms of the above paragraph, the remaining plots will be allocated to the applicants according to the number of nights for which the applicants apply. In which case, applications will be placed from most nights to fewest nights.

2.3. A stand may be allocated to an applicant even if he/she has not shown the stand on the application form as his/her first or second choice.

3. The names of applicants who do not qualify for a stand after the selection process or who apply late will be placed on the waiting list. Should a stand become available for any reason, the person who has applied for most nights will be placed on the waiting list.

4. If, for whatever reason, any of the applicants shorten their period after an award has been made, the allocation of the stand will be reconsidered by comparing the applicant's modified amount of nights with the applicant with the most nights on the waiting list, and if the waitlisted applicant has applied for more nights than the successful applicant's modified number of nights, the stand will be allocated to the applicant on the waiting list. No changes to lease periods will be accepted after September 30 of the year in question. Should the successful applicant have paid a deposit and no longer qualifies for the stand based on the number of nights, his deposit already paid will be refunded with a 15%, administration levy which will be recovered by management from the deposit already paid. NO REFUND will be made for those who cancel their stay for DECEMBER/JANUARY after 31 October, except in the event of a death (death certificate of an affidavit must be provided) or medial reasons (medical certificate must be provided), a 25% administration fee will be charged.

If a deposit has already been paid to confirm the booking and the applicant later cancels the booking, his deposit already paid will be refunded with a 15% administration fee.
